► Distinctive Styling...Luxurious Features

► **The Ultrastar Series** | Distinctive Styling...Luxurious Features

STARCRAFT BUS
a division of Forest River, Inc.

► Your discriminating clientele demands distinctive styling and luxurious features, and you require rugged construction and high value. The Ultrastar combines both distinctive styling and sturdy welded steel cage construction to fulfill all your needs. Whether you transport clients to the ballet, on tours to shopping malls or casinos, executives to various sites, church or senior groups to functions, or parking operation services, the luxurious, rugged Ultrastar meets all your needs in a good-looking, fully welded steel cage package.

Available in a variety of seating and luggage configurations, Ultrastar also offers features like audio/video equipment with multiple LCD monitors, PA systems for your tour hosts, and fully ADA compliant lift and passenger solutions. The Ultrastar... combining all you want and everything you need.

Starcraft Bus, a division of Forest River, Inc. is owned by Berkshire Hathaway, one of the most respected and secure companies in the industry. We continue to be the leader by providing value-packed performance, durability and safe transportation.
